

# March Newsletter

## ROOM 1

**Happy Spring!** This month we will be focusing on Spring time topics, including flowers and other things that grow. We also have some fun events going on this month that are beyond excited for. Dr. Seuss's birthday is on March 2nd so we will be celebrating his birthday all week! This includes dressing up (our theme is Thing One and Thing Two), doing crafts, and reading Dr. Seuss books. We will celebrate St. Patrick's Day this month and the Trike-a-thon is on March 27th and our classroom theme is Minions.

More details on this month's events are posted on our door for you to check out :)

**Theme:** Spring Time, Flowers, Things that Grow
